PROFESSIONAL SUMMARY

Information Technology undergraduate graduating in 2027 with hands-on experience in web development, software products, databases, REST APIs, cloud platforms and cross-functional collaboration. Experienced in understanding technical requirements, researching products and technologies, analyzing business needs, and communicating technical concepts to technical and non-technical audiences. Seeking opportunities in Tech Sales, Business Development, Growth, SaaS, Technology Consulting, Product Management or Customer Success.

EDUCATION

B.Tech in Information Technology — Narula Institute of Technology, Kolkata, West Bengal
Expected 2027 | Relevant Coursework: Database Management Systems, Web Technologies, Object-Oriented Programming with Java, Computer Networks, Operating Systems.

TECHNICAL SKILLS

Programming	Java, JavaScript ES6+, SQL
Frontend	HTML5, CSS3, React.js, Angular, Vite, Tailwind CSS, Chart.js
Backend & APIs	Node.js, Express.js, REST APIs
Database	MongoDB, SQL, DBMS
Cloud & Tools	GCP, Git, VS Code, Postman, Google Workspace, Microsoft Excel, Microsoft Office
Core	OOP, DSA, Computer Networks, Operating Systems

PROJECTS

FamPlus — Family Health Tracker

Frontend Lead | React.js, Vite, Tailwind CSS, Chart.js, REST APIs

- Developed a web-based family health tracking platform designed to organize health information and monitor vital parameters.
- Built responsive and user-focused interfaces using React.js, Vite and Tailwind CSS.
- Implemented user authentication, family dashboard, symptom checker and health-vitals data entry workflows.
- Integrated Chart.js to visualize blood pressure, blood sugar and weight data for easier health monitoring.
- Collaborated with backend, AI/ML and integration team members to connect frontend workflows with REST APIs.
- Contributed to project documentation, presentation, deployment, testing and overall application integration.
- Translated functional requirements into application workflows and coordinated implementation across multiple technical components.

NewsPulse — Modern News Website

Web Development Project | HTML5, CSS3, JavaScript, GNews API | Live: newspulse-beryl.vercel.app

- Developed a modern responsive news website for browsing current news.
- Integrated the GNews API to retrieve news articles dynamically.
- Added India, World, Sports, Technology, Business, Science and Entertainment categories.
- Created responsive layouts, category navigation, article cards and loading states.
- Deployed the project using Vercel.

CodeNova — Personal Portfolio

Web Development Project | HTML5, CSS3, JavaScript, EmailJS, GitHub, Vercel

- Designed and developed a professional personal portfolio website.
- Built responsive user interfaces using HTML5 and CSS3 with JavaScript-based interactivity.
- Integrated EmailJS for portfolio contact form communication.
- Added dark mode, responsive navigation, resume integration and project showcase.
- Deployed and maintained the website using GitHub and Vercel.

TRAINING & PROGRAMS

Java Full Stack Development Virtual Intern — EduSkills Foundation

Practical Java application development, backend logic, SQL, database-driven software systems, structured technical requirements and modular architecture, enterprise software workflows and full-stack concepts.

MEAN Full Stack Development Trainee — Ardent Computech Pvt. Ltd.

MongoDB, Express.js, Angular and Node.js; client-server communication, REST API data exchange, frontend-backend integration and database-driven workflows.

Google Cloud Arcade Program — Participant

Hands-on labs with VM deployment, IAM configuration and cloud storage; cloud infrastructure, access management, security permissions and cloud-hosted application concepts.

PROFESSIONAL COMPETENCIES

Technical Communication • Product & Technology Research • Market & Business Research • Requirement Understanding/Analysis • Business & Product Understanding • Presentation • Documentation • Analytical Problem-Solving • Customer-Oriented Communication • Team Collaboration • Adaptability & Fast Learning

CAREER INTERESTS

Tech Sales • Business Development • Growth • SaaS • Technology Consulting • Product Management • Customer Success
